

DAILY LOG

Office of the Deputy Director

Date 7/5/63

STATOTHR

1. [] World Reaction Series finds Commie Bloc played President's European trip in low key with little radio play and Moscow concluded "regretfully" that the visit left no ground for optimism for a German settlement. Noncommunist commentators in Europe generally agreed that the trip strengthened NATO unity. Others in Africa and Asia not as enthusiastic.

2. Letter from Sec'y of Agriculture to DCI saying he's had preliminary briefing from [] and stands ready to pursue any questioning on Sov agriculture Agency has for his forthcoming trip. To DD/I (ORR) for action. ER 5263

25X1

3. DD/I memo for record: Rostow Planning Committee meeting 2 July discussed Italian political outlook. US left with no [] (ER 5354)

25X1

25X1

6. DD/R memo to DCI re DOD recon schedule for July 1963 recommending DCI's concurrence. []

25X1

7. DCI has requested DD/I to restudy NSAM 216 implementation papers (contingency plan for possible of results of satellite photography to USSR). DCI believes steps outlined in Phases I and II should be compressed so that preliminary work is completed prior to any Presidential decision to act. (ER 5353)
